*A LONG TIME AGO, a nice young man requests custom fan fiction.*

We discuss hobbies. We talk interests. The young man likes girl-next-door sexy starlet Hayden Panettiere. He also enjoys Star Wars. “Wouldn't it be great if the two could touch?” he suggests.

Fapper Oden Zero sets off on his first Galactic adventure. From his home planet in the Gamma System, the young man sees opportunity; Coruscant and the Core Worlds promise riches for the quick and the clever when the Republic finally falls.

Oden signs on with a freighter. One last night of freedom tempts him. “Who is that innocent, sexy, seductive blonde?” he asks. “Did she really just wink at me?”
