Laugh out loud as you share in the tale of a young boy and his dog as they scheme to finish a science project at the last minute. A story book of the highest caliber that delivers important cautionary message's for today's youth, specifically internet safety, exercising good judgement and the repercussions associated with procrastination. This book is a MUST HAVE for the home library! Opting for activities more enjoyable than homework, a young boy is faced with the looming due date of a science project for school. He resorts to the internet to find a quick solution to his problem. He happens upon a company offering overnight science projects, and although it seems to good to be true, he places an order. However, the package that arrives the next day is not the project he believes it to be, but instead a lesson he and his dog will never forget.
