Taking the Heat (Girls' Night Out) Victoria Dahl

Passion this hot can't be faked...

All revved up for bright lights and steamy nights, writer Veronica Chandler chased her dreams to New York City. When she hit a dead end, reality sent her back home to Jackson Hole, Wyoming. Saving her pride and her new gig—writing a relationship advice column!—requires some faking. No one can know the truth about her big-city flop or her nonexistent sex life. But the town's irresistibly rugged librarian is determined to figure her out...and give her hands-on lessons in every wicked thing she wants to know.

Gabe MacKenzie's heart might be in Wyoming, but secretly his future's tied up in his family's Manhattan legacy. Getting down and dirty with Veronica is supposed to give him a few memorable nights—not complicate his plans. But the thing about heat this scorching is there's just no going back...and it might be too hot for either of them to take.
