TESLA for Beginners: Who was Nikola Tesla? The Genius Who Gave Us Light Maya Herman

This is a popular non-fiction biography of Nikola Tesla, the great inventor, that is good read for anyone from 12 to 112 years old. It is a story of the genius whose time has come. He belongs more to this century than perhaps any other scientist of the past and yet we do not know much about him. All the electric devices we use owe something to him. He also had a vision of the world we live in now in 21st century.
