**There's room for everyone on this boisterous voyage full of flaps, tabs, wheels, and pop-ups - from a novelty book master!**

The animals went in two by two,  
The elephant and the kangaroo.  
And they all went into the ark  
for to get out of the rain.

Jump on board and join the rowdy crew! A traditional rhyme comes to life in this rollicking ark full of flitting bumblebees, swimming pigs, dawdling tortoises, and a flock of sheep that break into wild grins - just as a rainbow appears. With the help of a handy melody line printed on the back cover, readers are even invited to sing along.
