Country of the Bad Wolfes James Carlos Blake

A page-turning epic about the making of a borderland crime family, *Country of the Bad Wolfes* will appeal both to aficionados of family sagas and to fans of hard-knuckled crime novels by the likes of Donald Pollack, Elmore Leonard, James Lee Burke and James Ellroy.

Basing the novel partly on his own ancestors, Blake presents the story of the Wolfe family — spanning three generations, centering on two sets of identical twins and the women they love, and ranging from New England to the heart of Mexico before arriving at its powerful climax at the Rio Grande.

Begat by an Irish-English pirate in New Hampshire in 1828, the Wolfe family follows its manifest destiny into war-torn Mexico. There, through the connection of a mysterious American named Edward Little, their fortunes intertwine with those of Porfirio Díaz, who will rule the country for more than thirty years before his overthrow by the Revolution of 1910. In the course of those tumultuous chapters in American and Mexican history, as Díaz grows in power, the Wolfes grow rich and forge a violent history of their own, spawning a fearsome legacy that will pursue them to a climactic reckoning at the Río Grande.

A master of the historical novel, James Carlos Blake has been hailed as “a poet of the damned who writes like an angel” (Donald Newlove, *Kirkus Reviews*). *Library Journal* says of Blake's latest novel that it is "brawling, high-spirited, and superbly realized ... this novel offers many pleasures, including endearing characters, unlikely love stories, and all manner of mayhem."

James Carlos Blake was born in Mexico and grew up in Texas and Florida. He is the author of nine other novels and a collection of short works. Among his literary honors are the Los Angeles Times Book Prize, the Southwest Book Award, and the Falcon Award.

From reader reviews:

Lisa Jennings:

What do you think of book? It is just for students because they are still students or that for all people in the world, the particular best subject for that? Just simply you can be answered for that concern above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book Country of the Bad Wolfes. All type of book would you see on many methods. You can look for the internet options or other social media.

Virginia Carter:

Are you kind of busy person, only have 10 or even 15 minute in your day time to upgrading your mind expertise or thinking skill even analytical thinking? Then you are having problem with the book than can satisfy your short period of time to read it because this all time you only find guide that need more time to be examine. Country of the Bad Wolfes can be your answer given it can be read by you actually who have those short spare time problems.

Kelly Cohn:

You can spend your free time to study this book this e-book. This Country of the Bad Wolfes is simple to bring you can read it in the park your car, in the beach, train along with soon. If you did not have much space to bring often the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Lester Baker:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Country of the Bad Wolfes can make you experience more interested to read.
