Ian Kershaw

Hitler: 1936-1945 Nemesis Ian Kershaw

The climax and conclusion of one of the definitive biographies of our time. In this riveting account, drawing on many previously untapped sources--including Joseph Goebbels diaries, recently discovered in Moscow--and incorporating numerous contemporaneous accounts of Nazi Germany, Ian Kershaw reveals a leader fanatically, ruinously convinced that he alone has the genius to conduct a war while his henchmen maintain the totalitarian state created in his name. As *Nemesis* opens, Adolf Hitler has achieved absolute power within Germany and triumphed in his first challenge to the European powers. Idolized by large segments of the population and firmly supported by four pillars of the Nazi regime--the Party, the armed forces, the industrial cartels, and the civil service--Hitler is poised to subjugate Europe. Nine years later, his vaunted war machine destroyed, Allied forces sweeping across Germany, Hitler will end his life with a pistol shot to his head. Kershaw's *Hitler* will be the final word on the most demonic figure of the twentieth century.
