“How To Meet Your Match Online” is the ultimate singles’ guide to finding love through online dating. Author Laura Henderson is an attorney-turned-relationship expert and has been featured on ABC and NBC as a dating coach and matchmaker. Henderson is the primary matchmaker at Mutual Friend (a Seattle-based matchmaking company for professional, intelligent singles) and is the Founder and CEO of the online dating company Meet Your Match Online. In this book, she shares the secrets that have led her clients to long-term, loving relationships - and that led her to finding her husband – through online dating. Using the step-by-step process she reveals in this book, readers will discover how to break online dating down into discrete and manageable steps and avoid online dating burn out. From understanding exactly who Your Match is and getting yourself in front of a target-rich audience, to choosing the right photos and crafting the perfect profile and essay, Henderson covers everything you need to know to find Your Match online (or offline!) – and fast! This book has practical advice useful for novice to experienced daters, and even provides links to free downloadable bonus material so that daters can proceed through the step-by-step process from the comfort of their own homes! Though Henderson does ask her readers to do some homework along the way – necessary for the process to be successful – the book remains light and fun as Henderson weaves in her personal online dating journey from her first date with a narcissistic, rock climbing, army doctor to finally finding her husband. Her inclusion of real emails and profiles of would-be suitors will have you laughing all the way through while you learn.
