**Volume 2:** Feisty Mint and adventurous Chloe start their cross country journey together with a night camping and a kinky hitch-hike hook up. A humorous and lighthearted adventure with a ton of sexy action to boot :)

The 2nd volume in an adventurous and ambitious series that will follow Chloe and Mint, two girls who travel the country together via train hopping and hitch hiking .This is a fun and somewhat spontaneous short story about two young adults finding their way together and exploring the open world. Without giving away spoilers, the plot will take these two to great heights and greater lows and test who they are as friends :) Along the way, they will find more than just romance together. Things are going to be fun and get kinky ;)

**Friendship and Romance oriented** with heavy kink. This chapter focuses very much on the character love dynamic between Chloe and her new found lust Mint. Part 3 will feature back-story and the most sex :D!
