## Let's Call The Whole Thing Off Jill Steeples

Reasons why you should never, ever, read your best friend's diary (even if it has fallen to the floor, pages open oh-so temptingly...):

- It's morally indefensible.
- She would never trust you again.
- You probably know it all anyway...

So what harm could the tiniest peek do...? Answer: *Lots!* The best reason for never reading your best friend's diary:

- *You might just find out something you really didn't want to know!*

Learning her fiancé, Ed – the guy she's supposed to marry this weekend! – is having an affair with her best friend, is a devastating bombshell for bride-to-be Anna. Confused, hurt and absolutely livid, she hops on the first train to anywhere-but-here in need of some serious soul searching.

Can she ever forgive Ed? Who is Anna 'sans Ed'? And more importantly, should she go through with the wedding or should she just call the whole thing off?
