Mary Cantwell

Manhattan Memoir: American Girl; Manhattan, When I Was Young; Speaking with Strangers Mary Cantwell

The **New York Times** said that **Mary Cantwell**, in telling the story of her life, "Makes you discover yourself." Now, gathered in a single volume, are her three beautifully etched, unflinchingly honest memoirs. Cantwell's first book, **American Girl**, evoked the delights of her youth in a small New England town; her second, **Manhattan, When I Was Young**, told of her blossoming career in New York, her marriage and her children, and that marriage's decline. **Speaking with Strangers** finds Cantwell alone, a single mother struggling in the big city, bereft of her husband but bolstered by friends, thriving in her career yet personally troubled. With a sensibility as distinct as the city she calls home, Cantwell's autobiographical trilogy brilliantly captures her struggle to forge a life with one foot in her past and the other, warily, in her present.
