## **She Never Knew There'd be an Audience**

**“A Sensual & Captivating Shapeshifter Romance with an Innocent Pure Girl and a Billionaire Vampire Part 3”**

Alice didn't know why Richard was being so different, seeming so distant. She heard other people talking outside the door, but rarely went out. Asking for freedom, as the Alpha, Richard has to find a way to show her to his coven. She never knew what his claim entailed, but she'd soon find out.

Alice couldn't abandon the man she fell in love with despite his faults and the money that seemed to corrupt him into thinking this gilded cage was enough. She'd submit to him, with or without an audience. It was something Richard had to test, and something she was more than ready for.

**WARNING:** This book contains mature themes and language. Intended for 18+ readers only.
