## Secret of the Sevens Lynn Lindquist

Everyone at Singer, a boarding school for underprivileged kids, knows the urban legend of the Society of Seven. Nearly two decades ago, the original members of this exclusive guild murdered the school's founder and then perished in the fire they'd lit to hide the evidence. Or so the story goes.

Talan Michaels doesn't care about Singer's past, however. He's too focused on his future and the fact that he'll be homeless after he graduates in May. To take his mind off things, he accepts a mysterious invitation to join a group calling itself "the Sevens." He expects pranks, parties, and perks. Instead, he finds himself neck-deep in a conspiracy involving secret passages and cryptic riddles about the school's history. Even worse, he's now tangled in a web of lies, and in a plot that *someone* will kill to keep hidden.

### Praise:

"A satisfying read for secret-society fanatics and romantics alike." *Kirkus Reviews*

"Conspiracy, loyalty, secrets, oaths, lies, and riddles flourish, making this the perfect book for readers who love to untangle mysteries by puzzling it out." *Booklist*

"This book has enough mystery and intrigue to attract readers." *School Library Connection*
