The Civil War of Caesar (Penguin Classics)

Julius Caesar

The Civil War of Caesar (Penguin Classics) Julius Caesar

A military leader of legendary genius, Caesar was also a great writer, recording the events of his life with incomparable immediacy and power. *The Civil War* is a tense and gripping depiction of his struggle with Pompey over the leadership of Republican Rome - a conflict that spanned the entire Roman world, from Gaul and Spain to Asia and Africa. Where Caesar's own account leaves off in 48 BC, his lieutenants take up the history, describing the vital battles of Munda, Spain and Thapsus, and the installation of Cleopatra, later Caesar's mistress, as Queen of Egypt. Together these narratives paint a full picture of the events that brought Caesar supreme power - and paved the way for his assassination only months later.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
