Author of *The Chronicles Of Thomas Covenant*, one of the most acclaimed fantasy series of all time, master storyteller Stephen R. Donaldson returns with this exciting and long-awaited new series that takes us into a stunningly imagined future to tell a timeless story of adventure and the implacable conflict of good and evil within each of us.

Angus Thermopyle was an ore pirate and a murderer; even the most disreputable asteroid pilots of Delta Sector stayed locked out of his way. Those who didn't ended up in the lockup--or dead. But when Thermopyle arrived at Mallory's Bar & Sleep with a gorgeous woman by his side the regulars had to take notice. Her name was Morn Hyland, and she had been a police officer--until she met up with Thermopyle.

But one person in Mallory's Bar wasn't intimidated. Nick Succorso had his own reputation as a bold pirate and he had a sleek frigate fitted for deep space. Everyone knew that Thermopyle and Succorso were on a collision course. What nobody expected was how quickly it would be over--or how devastating victory would be. It was common enough example of rivalry and revenge--or so everyone thought. The REAL story was something entirely different.

In *The Real Story*, Stephen R. Donaldson takes us to a remarkably detailed world of faster-than-light travel, politics, betrayal, and a shadowy presence just outside our view to tell the fiercest, most profound story he has ever written.
