## **Disabling Characters: Representations of Disability in Young Adult Literature (Disability Studies in Education)** Patricia A. Dunn

*Disabling Characters* provides detailed analyses of selected young adult (YA) novels and short stories. It looks at the relative agency of the disabled character, the behavior of the other characters, the environment in which the character must live, the assumptions that seem to be underlying certain scenes, and the extent to which the book challenges or perpetuates an unsatisfactory status quo. Class discussions about disability-themed literature, however well intentioned, have the potential to reinforce harmful myths or stereotypes about disability. In contrast, discussions informed by a critical disability studies perspective can help readers develop more sophisticated views of disability and contribute to a more just and inclusive society. The book examines discussion questions, lesson plans, study guides, and other supplemental materials aimed at students studying these texts, and it suggests more critical questions to pose about these texts and the positive and/or negative work they do, perhaps subliminally, in our culture. This book is a much-needed addition to college classes in YA literature, literary analysis, methods of teaching literature, disability studies, cultural studies, contemporary criticism, special education, and adolescent literacy.

**Aaron Martinez:**

Precisely why? Because this Disabling Characters: Representations of Disability in Young Adult Literature (Disability Studies in Education) is an unordinary book that the inside of the guide waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of gains than the other book have got such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I were you I will go to the guide store hurriedly.

**Helen Hanson:**

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but

nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this **Disabling Characters: Representations of Disability in Young Adult Literature (Disability Studies in Education)** can make you feel more interested to read.
