Generals in Blue: Lives of the Union Commanders

Ezra J. Warner

Generals in Blue: Lives of the Union Commanders Ezra J. Warner

More than forty years after its original publication, Ezra J. Warner's *Generals in Blue* is now available in paperback for the first time. Warner's classic reference work includes intriguing biographical sketches and a rare collection of photographs of all 583 men who attained the rank of general in the Union Army. Here are the West Point graduates and the political appointees; the gifted, the mediocre, and the inexcusably bad; those of impeccable virtue and those who abused their position; the northern-born, the foreign-born, and the southerners who remained loyal to the Union. Warner's valuable introduction discusses the criteria for appointment and compares the civilian careers of both Union and Confederate generals, revealing striking differences in the two groups. *Generals in Blue* is that rare book—an essential volume for scholars, a prized item for buffs, and a biographical dictionary that the casual reader will find absorbing.

AUTHOR BIO: Ezra J. Warner (1910–1974) was also the author of *Generals in Gray*. A native of Lake Forest, Illinois, he lived in La Jolla, California, and was well known for his work in Civil War biography. His great-uncle was General James Meech Warner of the Union Army.

From reader reviews:

Stefanie Roach:

Have you spare time for any day? What do you do when you have more or little spare time? Sure, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a go walking, shopping, or went to the actual Mall. How about open or perhaps read a book called Generals in Blue: Lives of the Union Commanders? Maybe it is to be best activity for you. You recognize beside you can spend your time with your favorite's book, you can cleverer than before. Do you agree with their opinion or you have some other opinion?

Megan Snyder:

As people who live in typically the modest era should be change about what going on or data even knowledge to make these keep up with the era and that is always change and make progress. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to you actually is you don't know what one you should start with. This Generals in Blue: Lives of the Union Commanders is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Victoria Manson:

People live in this new time of lifestyle always try and and must have the time or they will get great deal of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely yes. People is human not a robot. Then we question again, what kind of activity do you have when the spare time coming to anyone of course your answer will unlimited right. Then ever try this one, reading guides. It can be your alternative within spending your spare time, the book you have read is Generals in Blue: Lives of the Union Commanders.

Edward Cooley:

Playing with family within a park, coming to see the sea world or hanging out with friends is thing that usually you could have done when you have spare time, and then why you don't try point that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Generals in Blue: Lives of the Union Commanders, you could enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't obtain it, oh come on its referred to as reading friends.
