Sergio Kun Aguero: Born to Rise: My Story Sergio Kun Aguero

Sergio Aguero is one of the top strikers in world football, but his rise to superstardom hasn't always been smooth. Born into poverty, his life story Sergio Kun Aguero: Born to Rise is fascinating and a real story of talent, desire and the guidance of good people helping him to overcome adversity. Already with big clubs like Independiente and Atletico Madrid on his CV, he is now a double Premier League champion with Manchester City and his stock continues to rise. The book features a foreword from his best friend, Lionel Messi, and includes colourful dressing room revelations about his fellow countryman and other stars he's encountered on his journey. Against an incredible backdrop of hardship, Sergio is lucky to have been born after an epic ordeal for his young mother and an incredible twist as to how he took a surname that is now familiar around the world. From fathering a son with Maradona's daughter to winning junior World Cups and clinching the most dramatic Premier League title in modern history. This is a book every Manchester City fan will want to read, but also any football fan who is fascinated by that elite group of world greats who were touched by destiny and born to rise.
