"A slick plot, fresh characters and a fascinating look at a giant industry and the city that's home to it . . . Bob Randisi at his absolute best." Ed Gorman Auggie Velez is a struggling "session man" in the Music Capital, Nashville. That means he'll play for any group that needs a guitar. When his second career as a private detective is facing lean times (which is almost always), Auggie will also take jobs that could get a guy in trouble. Offered five grand by a bigshot record producer to deliver "a little package," Auggie Velez should know better. But the producer dangles more in front of him than money: a chance at "making it" in the music trade. Here is crime master Robert J. Randisi at the top of his form, with a fast-moving mystery set in a honky tonk city where big dreams--and the dreamers--come to die.
