**The Journals of Jacob and Hyde (Modern Day Jekyll & Hyde Book 1)** Randall Morris

Jekyll and Hyde brought into the modern world...

(The first book in the Jehovah and Hades series.)

Jake was just a normal kid who enjoyed hearing his mother's bedtime stories. The stories became shockingly real when he discovered that he was a descendant of Dr. Jekyll and that he had his own Mr. Hyde living inside him. With both of his parents dead, he has no one to guide him as he struggles to control his inner-demon until his uncle, Dex, shows up. Dex convinces Jake to help him hunt down rampaging Hyde monsters. Can Jake take on the local mob of Hyde monsters and keep the girl he loves safe from their retaliation?

If you enjoyed "The Strange Case of Dr. Jekyll and Mr. Hyde," check out this modern day continuation. It's a great mix between best selling sci fi and fantasy books.
