The Philosophies of Richard Wagner

Julian Young

The Philosophies of Richard Wagner Julian Young

In addition to being a great composer, Richard Wagner was also an important philosopher. Julian Young begins by examining the philosophy of art and society Wagner constructs during his time as a revolutionary anarchist-communist. Modernity, Wagner argued, is to be rescued from its current anomie through the rebirth of Greek tragedy (the original *Gesamtkunstwerk*) in the form of the “artwork of the future,” an artwork of which his own operas are the prototype.

Young then examines the entirely different philosophy Wagner constructs after his 1854 conversion from Hegelian optimism to Schopenhauerian pessimism. “Redemption” now becomes, not a future utopia in this world, but rather “transfigured” existence in another world, attainable only through death. Viewing Wagner’s operas through the lens of his philosophy, the book offers often novel interpretations of *Lohengrin*, *The Ring* cycle, *Tristan und Isolde*, *Die Meistersinger*, and *Parsifal*.

Finally, Young dresses the cause of Friedrich Nietzsche’s transformation from Wagner’s intimate friend and disciple into his most savage critic. Nietzsche’s fundamental accusation, it is argued, is one of betrayal: that Wagner betrayed his early, “life affirming” philosophy of art and life in favor of “life-denial.” Nietzsche’s assertion and the final conclusion of the book is that our task, now, is to “become better Wagnerians than Wagner.”

We all recommend that straight away because this guide has good vocabulary that can increase your knowledge in language, easy to understand, bit entertaining but nevertheless delivering the information. The article author giving his/her effort to get every word into satisfaction arrangement in writing The Philosophies of Richard Wagner but doesn't forget the main place, giving the reader the hottest and based confirm resource info that maybe you can be one among it. This great information can certainly drawn you into brand-new stage of crucial pondering.

Maurice Neely:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Philosophies of Richard Wagner can make you experience more interested to read.
