Feel God's love more personally.

Do you realize that the God of the universe speaks your love language, and your expressions of love for Him are shaped by your love language? Learn how you can give and receive God's love through the five love languages: words of affirmation, quality time, gifts, acts of service, and physical touch.

In this revised and updated edition of *The Love Languages of God*, Gary writes, "As we respond to the love of God and begin to identify the variety of languages He uses to speak to us, we soon learn to speak those languages ourselves. Whatever love language you prefer, may you find ever deeper satisfaction in using that language in your relationship with God and with other people."

As you begin to identify the variety of languages God uses to speak love to you and others, you can learn to speak lovingly back to God and to those around you. No matter what love language you prefer, you will become more deeply connected with God and watch this bond transform all of your relationships.

Contains personal reflection questions and a study guide for groups
