## He Found Me & He Saved Me, bundled together.

*Includes bonus scenes and an extended epilogue.*

When I was seventeen, I disappeared. I walked out of my apartment with a backpack and never looked back. I left the life of Cora Mitchell behind, seeking freedom from my real-life nightmare. But my freedom came with a cost. I lived a fictitious life for the next six years, never letting anyone close enough to see underneath the façade that was Andra Walker. I was content with my simple little life. Until I met Julian. And the moment I started allowing myself to open up, allowing someone to see through the superficial, was the very same moment the Monster from my past would return to find me. But this time, I wouldn't run away without a fight.
