## **Homeopathic Methodology: Repertory, Case Taking, and Case Analysis** Todd Rowe

As one begins to learn the homeopathic methodology, repertorising is a difficult, if not ominous endeavor. This book helps to sort out the many nuances of old, and clarify much of the "older" jargon. It explains to the novice homeopath just how to begin taking a case and using the Repertory in practical terms. The author presents the subject in a very logical and understandable sequence. A subject that is normally difficult to master is easily grasped with the help of this book.
