Starting Off Right in Contracts, Second Edition Carolyn J. Nygren, Howard E. Katz

To do their best on the final exam, students need a strategy to approach the course material efficiently and to organize it in a logical manner. This book gives students that and more. In chapters on contract formation, defenses, breach and remedies, and multi-issue fact patterns, the authors show students how to answer sample questions, use a step-by-step method that will improve their ability to analyze contracts problems, and effectively demonstrate their knowledge to the professor.
