Perry Stone

**It's time to rethink what you know about the Holy Spirit.**

When one of the head rabbis in Jerusalem told Perry Stone that, according to a Jewish tradition, on the Day of Atonement the high priest spoke in a supernatural “language of God,” his interest was piqued, and his heart set out on a journey to discover lesser known details and insights concerning the Holy Spirit.

In *The Code of the Holy Spirit* Stone shares his discoveries, providing a unique view of the Holy Spirit through the lens of Old Testament writings and Jewish tradition. In addition to revealing the Holy Spirit’s presence throughout the Old Testament--including clues revealed in the Hebrew feasts about the Day of Pentecost--Stone answers questions such as:

- What is the chemistry of the anointing?
- What is the significance of the wind and the Holy Spirit?
- What is the code concealed in the menorah?
- Can a believer blaspheme the Holy Spirit?

Whether you’ve been taught a doctrine, embarked on your own study of Scripture, observed others operating under the Holy Spirit’s power, or had a personal life-changing experience, this insightful book will give you a deeper understanding of this member of the Godhead than you’ve ever had before.
