The Dune Bruce Beckham

A shy, academic teenager, Luke spent the long, hot summer of 1976 working on an isolated bird reserve in Norfolk, England. Like most young men of his age, he found his thoughts preoccupied with the opposite sex and, gradually, peculiar events unfolded around him that seemed designed to take advantage of this Achilles heel. 36 years later, the discovery of human remains at a coastal archaeological site sheds shocking new light upon his experiences of 1976, compelling him to reappraise his memories and, finally, to return to East Anglia in an attempt to unravel the truth of a tale of witchcraft, intrigue, murder and love. The Dune is a smouldering coming-of-age novel that slowly burns to an explosive, violent and unexpected climax.
