Would karma deal a blow to President George Bush for not signing into law the reparations act bill for African Americans, or is this a bad dream? Could a taste of American History be as easy to digest if the ethnical roles of dominance get reversed? How will George Bush fair in a world where a black man, named Barack Obama, is president during the term he thought he was to be serving? He will soon find that even a mention of himself as president could have him arrested.
