## **Five Fingers** Tony H. Latham

This white-knuckled tale is about Idaho game warden Charley Cove struggling to stop a bloody string of deer shot and left in the snow. He's stymied by a lackadaisical prosecutor and a questionable deputy –plus the tug of two cultures running through his veins seem to be pulling him in different directions. Cove uncovers evidence that ties the shooter to crimes against people, and unknown to the warden, his bad guy is about to come unglued and drag his bloodbath into a nightmare for a two-legged victim.
