How To Be An IMPACT MAN, Leaders Guide Dr. Paul Joseph Young

The Christian ideal has not been tried and found wanting...it has been found difficult and left untried. G. K Chesterton Most Catholic men have no idea how to be IMPACT men. In fact, they don't even know how to be a Christian, the kind wholly committed to Christ and his Church. And that's where our IMPACT MAN groups come in. In them Catholic men are going to learn what it means to live a Catholic faith that impacts their families, places of work, their church and their communities. They will finally TRY what is so difficult, find success and spread that success to other men. It's going to be revolutionary. In fact. This is what you are out to do - start a revolution. We are here to take back our society, our homes, our churches and our lives. And it's about time. Too long have we waited on the sidelines and been ineffective. Too long! But that's coming to an end. Now is the time Today is the day To begin And keep on beginning Every single day To keep going To make OUR MARK for Christ And with Christ For our families For our Churches For our communities Forever Amen. If we are going to be successful we need IMPACT MAN groups that function properly, led by men who love the men in the group and will be there to see them grow and to embrace the IMPACT model. Through that, they will embrace and follow Jesus Christ our leader and St. Joseph our Patron Saint and change the world... FOREVER.
