**Whatever was brewing between the two of them, Gunny couldn't decide if it was going to end up being an explosion of sexual passion, or fiery hate...**

Gunny was an anti-social loner who had joined Dirk's pack after his father died. Getting through college and surviving pretty much as a **lone wolf**, sharing his space was hard for him.

Dirk required Gunny to share his home with the midwife who was going to deliver the baby for his mate. Gunny reluctantly agreed and had her **turn his world upside down**.

The woman never wore a bra, didn't care if she made him uncomfortable and delighted in pestering him and making sexual jokes to get under his skin.

**The sexual tension and chemistry between them is absolutely explosive**, but will Gunny be able to let go of his lone wolf status to **embrace his mate** or will she leave after she does the job she came to do?"

**This can be read as a great stand-alone werewolf book, or as part 3 of "Dirk's Pack"**

warning: this book contains scenes intended for adults 18+
