Children of the Grave Joe McKinney, Armand Rosamilia

Six talented zombie authors take on the After-life in an interactive shared-world zombie anthology.

Welcome to Purgatory, an arid plain of existence where zombies are the least of your problems. It's a post-mortem *Hunger Games*, and Blaze, a newcomer to Purgatory, needs your help to learn the rules of this world and choose the best course of action.

Purgatory is escapable, so aid Blaze to win the favor of the ruling Gatherers by earning this right. But what's waiting outside Purgatory, is beyond what the human mind can fathom.

His fate. Your choices.

Your six different choices have been penned by Joe McKinney, Armand Rosamilia, Tonia Brown, Joe Mynhardt, Aurelio Lopez III, and Alex Laybourne.

Allow the opening scenario to engulf you into the shared-world, after which each author not only chooses the fate of Blaze, but also brings in their own take of this world, and Blaze's backstory, since each backstory affects the choices our 'hero' makes. Each author also brings in a few surprises ranging between earthly creatures to beasts from the pits of hell itself. And what waits at the end of Purgatory? Some say if you fight hard enough you'll get a free pass back to life on earth. Perhaps even Heaven. Then again, Hell might be closer than they think.

Welcome to a world of death, pain, hunger, regret, and thirst, accompanied by the uncertainty of what waits after. What waits ahead is a world beyond this one where it's every man and woman for him or herself.

From reader reviews:

Angela Jones:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these keep up with the era and that is always change and move forward. Some of you maybe may update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know what one you should start with. This Children of the Grave is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Tanisha Goss:

In this period globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The health of the world makes the information better to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The actual book that recommended to you is Children of the Grave this guide consist a lot of the information of the condition of this world now. This specific book was represented how does the world has grown up. The terminology styles that writer use for explain it is easy to understand. The particular writer made some research when he makes this book. Honestly, that is why this book appropriate all of you.

John Jacquez:

That reserve can make you to feel relax. This book Children of the Grave was bright colored and of course has pictures on there. As we know that book Children of the Grave has many kinds or genre. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and believe that you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and relax. Try to choose the best book in your case and try to like reading that.

Kathryn Bowen:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Children of the Grave can make you sense more interested to read.
