The Rosemead Psychology Series is a continuing series of studies written for professionals and students in the fields of psychology and theology and in related areas such as pastoral counseling. It seeks to present current thinking on the subject of the integration of psychology that grow out of the interface of psychology and theology. The data and theories of both theoretical and applied psychology are treated in this series, as well as fundamental theological concepts and issues that bear on psychological research, theory, and practice. These volumes are offered with the hope that they will stimulate further thinking and publication on the integration of psychology and the Christian faith.
