**Leaders in the Labyrinth: College Presidents and the Battlegrounds of Creeds and Convictions (The Ace/Praeger Series on Higher Education)** Stephen J. Nelson

*Leaders in the Labyrinth* sheds light on how presidents conduct the influence and power of their office, especially in the use of their pulpits, how they navigate issues of political correctness, and how they hold the center of the university together, in contentious times and against competing ideological forces. Nelson has formulated a comprehensive image of the tenor, talents, and temperaments essential for today's presidency, for those who aspire to assume leadership in the future and for those who select the leaders of our colleges and universities.
