Nights of Rain and Stars Maeve Binchy

Four strangers, with nothing in common but a need to escape, meet in a Greek taverna high above the small village of Aghia Anna. From Ireland, America, Germany and England, they have each left their homes and old lives, when a shocking tragedy throws them unexpectedly together. Fiona is a young nurse, trying to make her family understand her need to follow her own path. Thomas desperately misses his young son and fears that his ex-wife will come between them. Elsa abruptly left her career as a television presenter, but someone from her past refuses to let her go. And shy, quiet David is determined to make a stand against his overbearing father. With these four is Andreas, the taverna owner, who badly misses the son who left home nine years ago and has never returned." Nights of Rain and Stars is the story of one summer and four people, each with a life in turmoil. With the help of Vronni, a middle-aged Irish woman who lives in the village and is now a near-native, they find solutions - though not necessarily the ones they anticipated.
