Money ~ power ~ fame

Kelsey

Growing up in the arms of one of the wealthiest families in America, I lived a champagne lifestyle and never wanted for anything.

That life came with stipulations...

1. Marry the man I don't love.
2. Make my parents proud.

Wrong.

I left my Manolos and fancy apartment behind and fled that life to find out who I really was.

Someone unexpected bulldozed my life.

Riley Jackson

He was the man everyone, including me, wanted, but his future was one I wasn't sure I wanted to thrust myself back into. And when he chose a career over the family business, his family supported him instead of pushing him away.

My past collided with my future.

I didn't see it coming. If I had, I would've ran far, far away.

Now I'm stuck in the same position I started in two years ago, except this time, it's not my decision to make.

Loyalty to your family? Loyalty to your own happiness?

Which would you choose?
