The Hour of Revival is a time of crisis and few go through it without deception by the enemy. Bluntly, the Revival Hour is the occasion for evil spirits to fool the most spiritual believers into becoming deceived & possessed by evil spirits in their outer being through unwittingly accepting Satan's counterfeits. The aftermath of the Revival in Wales, which was a true work of God, revealed many 'honest souls' swept off their feet by evil supernatural powers, which weren't discerned as not being the true working of God. This is a glimpse into the mixed 'manifestations' which have come upon the Church, as almost without exception, in every land where revival has broken forth, within a very brief period of time the counterfeit stream has mingled with the true; and almost without exception, true and false have been accepted together. Evil spirit possession has followed, and checked every similar revival throughout the centuries since Pentecost and these things must now be understood, and dealt with, if the Church is to advance to maturity.
