Thirty striking works by noted female artists appear in this eclectic collection. They range from conventional portraits, such as Vanessa Bell's depiction of her sister, Virginia Woolf, to a pioneering abstract painting by Sonia Delaunay. Other landscapes, still lifes, and portraits include works by Frida Kahlo, Grandma Moses, Mary Cassatt, Berthe Morisot, and other distinguished artists. Colorists can rely upon their own imaginations or be guided by the original paintings, as shown in the reproductions on the front and back covers.
