El hilo azul (Spanish Edition)

Anne Tyler

El hilo azul (Spanish Edition) Anne Tyler

Una novela sobre los lazos familiares construida con el mejor estilo de Anne Tyler (Pulitzer 1989), que muestra lo mejor y lo peor de nosotros mismos.

«Lo importante no es saber cuánto amas a alguien,
sino quién eres tú cuando estás con esa persona.»

Anne Tyler

Todas las familias guardan secretos, incluso las que parecen perfectas. Los Whitshank no son una excepción a esa regla, pero ¿quiénes son realmente los Whitshank? Pues una familia de clase media americana afincada en Baltimore desde 1920. A simple vista, parecen un clan unido por el afecto y la solidaridad. Sin embargo, pronto descubriremos que en el retrato que hacen de sí mismos solo aparece una parte de la fotografía.

«Era una hermosa tarde amarilla y verde, y soplabla una suave brisa...» Así es como Abby comienza siempre a relatar cómo se enamoró de Red Whitshank. Pero eso fue en julio de 1959, y ahora estamos en pleno siglo XXI. Abby y Red se han hecho mayores, los cuatro hijos que tuvieron son ya adultos y con el transcurso de los años no solo han acumulado momentos de ternura, armonía y felicidad; su historia también esconde celos, decepciones y engaños. Sin embargo, más allá de los silencios, incluso más allá de la muerte, los Whitshank nunca dejan de ser una familia. Basta a veces que una madeja de hilo azul caiga al suelo en un momento clave para saber que no estamos solos... Sucede así, incluso en las familias sencillas, incluso en las imperfectas.

El hilo azul es una novela que tiene el poder de emocionar huyendo de tópicos y sentimentalismos. Una obra que reúne todas las cualidades -inteligencia, humor y compasión hacia el ser humano- que han hecho de su autora una de las figuras más amadas y respetadas de nuestro tiempo.

La crítica ha dicho...

«Las novelas de Anne Tyler son una espléndida invitación a pasar un tiempo en esos barrios de Baltimore que ella ha construido casa a casa, palabra a palabra, en su brillante carrera.»

Francine Prose, *The New York Review of Books*
