### **What Is Medi-Share?**

#### **It's Based on a New Testament Approach to Healthcare.**

Medi-Share is a modern-day version of what the church started back in the book of Acts. The early believers shared each other's burdens and cared for one other in an authentic Christian community where no one was left in need. Medi-Share members come together to share each other's healthcare costs.

#### **It's Not Insurance- It's Christian Healthcare Sharing.**

Each month, your share is matched with another person's eligible medical expenses. Christian Care Ministry assists in the direct sharing of medical costs between members and provides you with a secure online way to see who you are sharing with.

"44 Now all who believed were together, and had all things in common, 45 and sold their possessions and goods, and divided them among all, as anyone had need." Acts 2:44-45 (NKJV)

For over 20 years, Medi-Share members have been faithfully sharing each other's Medical expenses. The members rely on the Lord to offer in their time of need through the voluntary gifts of other believers. Since 1993, hundreds of millions of dollars in healthcare costs have been saved through sharing or discounting.

#### **It's Much More Than Healthcare.**

Besides sharing medical bills, Medi-Share members encourage and pray for members. It is assisted by a company that offers health education and promotes biblical living. We give Christians greater opportunities to serve and support one another as Jesus taught.

#### **Medi-Share is helping Christians make an Impact**

When we share our lives and resources to care for one another in the Christian community, we not only experience the blessings of God but, we truly reflect the love of His Son Jesus. This transforming love can change the hearts of people and our culture.

"16 But do not forget to do good and to share, for with such sacrifices God is well pleased." Hebrews 13:16 (NKJV)
