No es país para viejos / No Country for Old Men (Spanish Edition) Cormac McCarthy

El cazador y veterano de Vietnam Llewelyn Moss descubre por casualidad la sangrienta escena de una carnicería entre narcos en algún lugar de la frontera entre Texas y México. Entre los cuerpos y los paquetes de heroína, descubre también algo más de dos millones de dólares. A partir de este momento comienza la violenta carrera de Moss por escapar de los que quieren darle caza: Wells, ex agente de las Fuerzas Especiales contratado por un poderoso cartel; Antón Chigurth, una implacable máquina de matar, para quien recuperar el dinero de sus jefes es apenas la excusa para descargar una y otra vez su arma y poner en práctica su máxima: no dejar nunca testigos; y un sheriff veterano de la segunda guerra mundial que añora los buenos tiempos y esconde un doloroso secreto que lo mantiene vivo. El resultado es una novela que es "mucho más que un *thriller* corriente" (*Time Magazine*) que "te dejará jadeando y atemorizado" (Sam Shepard). "No hay manera de soltar el libro. Es duro, duro e impactante." *El país*
