Players

Don Delillo

Players Don Delillo

In **Players** DeLillo explores the dark side of contemporary affluence and its discontents. Pammy and Lyle Wynant are an attractive, modern couple who seem to have it all. Yet behind their "ideal" life is a lingering boredom and quiet desperation: their talk is mostly chatter, their sex life more a matter of obligatory "satisfaction" than pleasure. Then Lyle sees a man killed on the floor of the Stock Exchange and becomes involved with the terrorists responsible; Pammy leaves for Maine with a homosexual couple.... And still they remain untouched, "players" indifferent to the violence that surrounds them, and that they have helped to create.

Originally published in 1977 (before his National Book Award-winning *White Noise* and the recent blockbuster *Underworld*), **Players** is a fast-moving yet starkly drawn socially critical drama that demonstrates the razor-sharp prose and thematic density for which DeLillo is renown today.

"The wit, elegance and economy of Don DeLillo's art are equal to the bitter clarity of his perceptions."--*New York Times Book Review*
