When dating ends in deaths and threats, Molly might be better off staying single.

During one of Molly's weekly meet-ups with her girls at their regular bar, Molly succumbs to the duress of her two best friends and begins the aggressive dating they sign her up for online where the pairings are questionable... and dangerous. They've entered her in an evening of speed dating. But at the end of the evening she finds an item from her past that raises questions... and danger.

When the number of deaths surpass Molly's goodnight kisses, her past pushes into the present and Molly loses much more than she gains. A stalker has focused on Molly and refuses to let anyone else date her. But she refuses to be single for the rest of her life.

Is Molly doomed to a life of singledom wrapped in fear - or will the stalker turn on her next?

*****Think TV - this is an episode, to be followed closely by the next, etc. This is not a complete story and will not be resolved until Adventure #7*****
