## Fowl Language: Welcome to Parenting Brian Gordon

The popular parenting webcomic featured on HuffPost, Buzzfeed, and Upworthy is now a book! The perfect gift for baby showers and for those already in the throes of parenting, *Fowl Language: Welcome to Parenting* is here to let you know that you're not alone. Parenting is hard and often gross. Laughing about it helps. If you liked *Toddlers Are A\*\*holes*, you'll love *Fowl Language*!

Parenting can be a magical journey full of bliss and wonder . . . if you're on the right meds. For the rest of us, it's another thing altogether. Fowl Language Comics takes an unvarnished look at the tedium and aggravation of parenting, while never forgetting that the reason we put up with those little jerks is that we love them so damn much. By poking fun at the daily struggles parents face, these cartoons help all of us feel less alone in our continual struggle to stay sane.

Brian Gordon, creator of Fowl Language Comics, has two small children of his own and knows well the trials and tribulations that go along with raising them. With more than eighteen years of experience in humorous illustration, writing, and cartooning, Brian's visual point of view is memorable, authentic, and instantly recognizable. From Brian: "They say 'write what you know.' Well, I don't know much, but I do know what it's like to be the father of two brilliant, beautiful, bat-shit-crazy kids."

Launched in July 2013, the relatable humor of Fowl Language broke out on HuffPost Parents, Pop Sugar Moms, Bored Panda, Awkward Family Photos, and countless other humor and parenting blogs. Thanks to more than 200,000 fans on social media, including Facebook, Tumblr, and Instagram, it continues to grow in popularity at a rapid pace.
