Five years ago Eugenia “Genie” Prescott, the daughter of a country parson, gave her heart to a young nobleman who betrayed her. Seduced by an unspoken promise of marriage, she is forced from her home to avoid scandal. Irreparably changed from the destruction wrought by the failed relationship, Genie has paid for her sins in tragedy and heartbreak. Returning to England on the arm of the man who rescued her from hell, she is determined to reclaim the life denied her and never be at the mercy of a man again. But the secrets of the past threaten to ruin her future when she comes face-to-face with the man whose betrayal nearly destroyed her. Forced to choose between duty and desire, Lord Fitzwilliam Hastings refused to defy his family and do the unthinkable: marry a girl of inferior wealth and rank. But by time he realizes his error, Genie has disappeared. Haunted by the failure of his youth, and by the girl he could never forget, Hastings, now unexpectedly the Duke of Huntingdon, has searched for her for five years. But now that Genie is back, the duke has his chance for atonement and is determined to make it up to her... even if the reluctant Genie has to be persuaded.
