There are many women who have wondered why the man they're with seems to cringe whenever she mentions the words 'commitment', or 'marriage'. Whether you're a woman who's floating around in a questionable relationship, single but, consider your guy as a friend with benefits, have been engaged for a number of years with no end in sight, or just someone who may happen to know someone else in any of these situations, then this book may offer the proper insight as to why. "Understanding Why Most Men Won't Commit To Love" is a book that deals with the reasons why so many men choose, or have chosen to remain single. The information provided was gathered through a few personal interviews with men from the surrounding Maryland and Washington, DC area, while the majority of information came through returned questionnaires that had been sent over the Internet. If you are someone who's been looking for answers, then I'm sure you'll find this book very insightful, informative, illuminating and helpful.
