Tanner soon discovers that Gia is the cousin of his brother's lover, Riley and Gia works for his brother as an intern. That does nothing to stop Tanner from growing more and more obsessed with Gia because of the explosive mind games she plays with his head.

Tanner might have finally met his match when it comes to the daring Gia!

However, as time marches on, Tanner and Gia find themselves growing closer and closer until something so big happens, it will test their relationship and life as they know it!
