Strange predictions, psychic children, spirit guides, Voodoo and parapsychology, alternate realities, a woman compelled by her vision to find a little girl. All these play a part in the stunning true story of a suburban psychologist who seeks to unravel the secrets of the spiritual Path - regardless of the cost. As she searches for answers to the riddles of life, destiny, good and evil, she encounters a Native American storyteller, a Jamaican shaman, a martial arts master, a Buddhist monk, and others who share their Wisdom and their stories of the occult.
