Do you know the difference between conventional survival training and Bushcraft training for wilderness survival? We'll teach you that and so much more in this e-book.

While survival training teaches you to get out of the wilderness area as soon as possible, or just to live while awaiting rescue, Bushcraft teaches you not only to survive, but also to thrive in the wild, even living there, if that is your desire.

Whether you enjoy camping and hunting or you're a prepper getting ready for a doomsday scenario, these survival techniques will allow you to live in the wilderness for as long as you decide to.

Bushcraft training teaches you how to better your chances of long term survival in the wilderness.

They will be essential for:

- Increasing your survival skills
- Increasing your abilities to adapt to challenges
- Becoming more prepared for problems that may occur
- Growing your confidence

We'll also guide you through 12 important lessons in wilderness survival that will become projects if you take Bushcraft wilderness training.

They include:

- Building a shelter
- Finding and purifying water
- Finding wild foods
- Building a campfire
- First aid in the wilderness

Take a step away from your comfort zone and learn what it really means to survive on your own and live off the bounty of nature.
