This Song Is (Not) For You Laura Nowlin

Ramona fell for Sam the moment she met him. It was like she had known him forever. He's one of the few constants in her life, and their friendship is just too important to risk for a kiss. Though she really wants to kiss him...

Sam loves Ramona, but he would never expect her to feel the same way-she's too quirky and cool for someone like him. Still, they complement each other perfectly, both as best friends and as a band.

Then they meet Tom. Tom makes music too, and he's the band's missing piece. The three quickly become inseparable. Except Ramona's falling in love with Tom. But she hasn't fallen out of love with Sam either. How can she be true to her feelings without breaking up the band?

"Educators and librarians looking for fast-moving, interesting plots, in-depth characters, and meaningful themes need to add this one to their shelves."-VOYA praise for *If He Had Been with Me*
